### Korero Nui - Important Information

Ara is a Business Division of Te Pūkenga - New Zealand Institute of Skills and Technology.

#### **Learner Information Handbook**

We recommend that you read your Programme handbook in conjunction with the <u>Learner Information Handbook</u> on MyAra.

#### **Attendance**

Experience has shown that if you attend regularly and participate in the class activities and assessments you are more likely to succeed. Full attendance and commitment are encouraged. You are expected to be punctual and must comply with the various behaviour and safety requirements of classrooms, workshops and labs.

For an International learner satisfactory progress is defined as 100% attendance and successful completion of 75% or more of your courses.

Let Ara know when you are absent from classes or if you are sick. Contact your tutor or advise the Department by emailing <a href="mailto:@ara.ac.nz">@ara.ac.nz</a>

### Non-Engagement

Ara has processes to deal with learners who formally enrol here but do not "engage" with their studies. That is, if you do not attend and/or participate and/or submit assignments and/or sit assessments or only attend briefly or spasmodically and/or do not engage significantly.

# Our Department process follows these steps if you are a no-show at the start of teaching:

- We will attempt to contact you 3 times and if we are not successful we will withdraw you (1) within 3 days if there is a waitlist of other learners who want to enrol, or (2) within 10% of the length of your enrolment (often 1 2 weeks)
- You will receive an email, text or phone call asking why you have not been attending
- There will be no academic or financial penalty from Ara but you could be overpaid by Studylink

#### Our Department process follows these steps for disengaged learners:

- 1 The registers are checked and if your engagement and attendance is a concern, we will talk with you
- You will receive an email or phone call asking why you have not been attending. You may receive a non-engagement letter
- We will attempt to contact you 3 times
- 4 You may be placed on a Formal Academic Contract or withdrawn
- You will receive a WD grade (after 10% of the duration of the course) or a DNC grade (after 80% of the duration of the course)

If you are struggling with attendance, we fully encourage you to talk this over as soon as possible with your tutor.

### **Drugs and Alcohol**

In line with the expectations of many workplaces, Ara has procedures to ensure the health and safety of all learners, staff and visitors, while undertaking Ara activities.

Ara has **zero tolerance** for the misuse or abuse of alcohol and/or illegal/controlled drugs, possession and/or use of illegal/controlled drugs/substances, or intoxication on all campuses/learning sites.

Many learning activities involve high-risk situations where clear thinking, decision-making, and machinery operation need to be conducted safely. These activities cannot be compromised.

You can download the policy from <a href="CPP506">CPP506 Drugs & Alcohol Policy</a>

### **Artificial Intelligence (AI) Tools**

When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies and not present Al such as ChatGPT as your own work. Learning Services have resources to help you learn to paraphrase or reference another person's work to avoid academic misconduct.

For more detail, please read the **Kā ture me kā tikaka - Policies & Procedures** section of this handbook <u>Policies.</u>

We recommend that you read your Programme handbook in conjunction with the Learner Information Handbook (also available on MyAra) which has more detailed information about support and services available to learners at Ara.

#### Rehearsals and Productions

This section gives you basic information about how rehearsals work and how to get the most out of them.

#### What happens at a rehearsal?

Rehearsals start on time, and you will be called. To make sure you are ready, do the following before you are called:

- 1. Complete your warm-ups.
- 2. Put on your rehearsal costume if appropriate
- 3. Check any props.

Once called, make sure you are easy to find during the rest of the rehearsal call, even if the director is not ready for you. Immediately after the production, return your scripts to the Stage Manager. Check that they are clean and reusable.

#### Using scripts and scores

Bring a pencil and eraser to each rehearsal. You will use these to take notes and mark the script or score.

#### **Professional Practice at rehearsals and productions**

Be courteous and sensitive to other performers during rehearsals and productions. When you enter and leave rehearsal or production spaces, be quiet and considerate.

Successful rehearsals depend on skilful and sensitive communication, so do not be afraid to express your views about the direction your character takes. Remember that in productions:

- designers have spent time thinking through their decisions.
- bringing a story to life in performance is a sensitive, collaborative process.
- the director makes any final decisions.

Staff undertake the casting for productions with care and considerable discussion. If you are unhappy, talk to your tutor or Programme Leader.

#### Using rehearsal time

Good performers make the maximum use of rehearsal time, even when they're not on the floor. For example, you could use the time to:

- work on the script or music.
- record the director's notes or your own notes.
- collate research
- observe rehearsal

#### **Troubleshooting**

You may have concerns or questions about rehearsals and productions.

| Concerns or Questions  | What to do   |
|--|--|
| If you have problems about a production.   | Visit Programme Leader in E215 or call<br>940 8485                       |
| If you are required to do an activity that is potentially harmful to your voice or body. | Visit the relevant Singing, Spoken Voice or Movement tutor.              |
|  | Note: <b>Tell your tutor before you seek any independent assistance.</b> |

We may contact you to discuss the right to copy, reproduce, and use your learner work for promotional and education purposes for Ara.

### Kā Aromatawai - Assessments

#### **Assessment Information**

At the start of each course, you will be given a **Course Outline.** Before each assessment you will be given an **assessment brief.** They will show:

The number, type, and due dates for all assessments, including tests and assignments, and will give you details on:

- The weighting of each assessment in your course that contributes to your final grade, if applicable.
- The assessment policy for resits, second results and alternative assessments, if they are different from the policies in this document.
- The time frame for getting your marked assessments back from tutors, if they are different from those stated in this document.
- The penalties for handing assessments in late, if they are different from those stated in this document. These may be different for each course.

If you do not receive this information, talk to the course tutor or Manager/Programme Leader.

### **Assessment Types**

| Formative assessment | Verbal and written feedback that takes place throughout classes and the programme.   |
|----------------------|--|
| Summative assessment | Assessments throughout the year that are based on learning outcomes for the course and determine how well you have achieved each outcome. You are given grades and written feedback. These assessments may include practical tests and projects. |

The contents of the course work will be explained by the tutor for each course. If at any point your tutor or Programme Leader is concerned about your progress, they will let you know.

### **Academic Integrity**

Ara requires learners to be honest and act with integrity in their learning and assessments.

You are required to:

- present your own original work for assessment
- acknowledge contributions from other sources by using the referencing format required for the programme (failure to do this correctly may be regarded as plagiarism); this includes direct copying, paraphrasing, summarising, and the rearranging of, another person's words or idea/s
- not cheat in tests or examinations
- ensure you follow all instructions and the correct procedures (e.g., no use of mobile phones or personal electronic devices)
- not enter into any agreements with other learners to collude on assignments
- collaborate only as permitted
- not over- or misrepresent the individual contributions of members of any group assignment
- not knowingly help others to cheat
- not present another person's assessment as your own (this includes purchased assessments) j
- not act or behave in a way that prevents others from completing their assessments
- keep written and electronic work secure to prevent others from accessing and copying work. (2)

Any exceptions to the above are clearly stated in the information and requirements for the course.

By enrolling at Ara you agree to your work being reviewed by various means to confirm an assessment is your own work. This includes the use of similarity detection software.

Any breaches of academic integrity follow the process set out in the academic integrity procedures. For more detailed information, please refer to the <u>Academic Integrity Policy</u>

### **Submitting Your Work**

Your tutors will let you know if they have guidelines for presenting your assessments and how to submit your work. Use a computer to create your assessments.

You may be required to submit your work manually or electronically. If you submit your work electronically, keep a copy until your official results are published at the end of the semester. If you have any questions, contact your tutor.

**Note**: Ara uses as part of its assessment processes electronic plagiarism detection. You will, from time to time, be required to submit assessments for scanning. Electronic copies of assessments must be retained by you until the official results are published after the end of semester or year.

### **Quality Assurance**

Your assessments and exam scripts may be used for internal and external moderation, monitoring, programme reviews, aegrotats, and the resolution of academic appeals and complaints. This helps Ara meet internal and external academic quality assurance requirements. If your assessments are used this way, before they are used, any information that could reasonably be expected to identify you will be removed.

#### **The Grade Scale**

The various assessments within a course will be combined according to the weightings shown in the course descriptor, and a grade for the course as a whole will be assigned from the table shown below. A "C-" grade and above represents a pass for the course.

The following grade scale (G29aa) will be used for all courses on the programmes unless advised otherwise in the course descriptor:

#### **Marked Grades**

# Kā ture me kā tikaka - Policies & Procedures

#### **Academic Policies**

All policies are accessible on the Ara website All policies are accessible on the Ara website <u>Ara Policy Library</u>. Ara provides a student advocacy service.

It is well known that people learn better when they work together, and this is encouraged, but when it comes to assessment, collaboration (working together) is not permitted unless it is a formal part of the assignment set by the tutor(s). Each learner is also responsible for making sure his/her work is not able to be copied by others. Sharing or comparing tests, exams and assessments is prohibited and, if detected, will be treated as "academic misconduct".

# **Academic Support and Progression**

Support is available if you, as a learner, are having difficulty meeting academic standards or you seek guidance, assistance or support with study related matters.

If you are not achieving satisfactorily, you will receive specifically targeted advice and assistance at an early stage.

Academic staff members will work with you if you are not meeting academic standards to document and implement a plan. This will include identifying and monitoring goals, expected academic progress, timelines and support.

If satisfactory progress is not made then you will be invited to meet with the Head of Department or his/her delegate, who will explain the circumstances, discuss the consequences, and give you the opportunity to present your view of events leading up to the meeting. Depending on the outcome of the meeting, a Formal Academic Contract may be entered into.

#### **Formal Academic Contract**

If your progress as a learner in a current course is still considered by tutors to not be satisfactory you will be invited to a meeting and advised in writing by the Head of Department or delegate.

The Formal Academic Contract will record the deficiencies or concerns, the progress which must be met, any assistance available, the time within which progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured. **For more information about** 

**Academic Support and Progression, see** <u>Academic Support and Progression</u> - scroll down and find 3.3 Formal Academic Contract.

- you must not present any output from any Al services as your own work in your assessment.
- you must use your own words.
- if you paraphrase or quote from a source such as a textbook, website and Al service, you must reference correctly.

If you submit an assessment using content copied directly from an AI service without acknowledgement, it is a form of academic misconduct.

# Cheating

Acting deceitfully or dishonestly to gain academic recognition or an academic result. Examples include copying answers from another person's work, taking useful information secretly into a test or exam, improperly accessing information about questions and/or answers, arranging for someone else to produce an assignment or to sit a test or exam.

- a formal written warning may be given, or marks deducted.

#### **Penalties**

These are actions designed to deter misconduct and/or deal with the consequences of it in a fair and appropriate way and may include:

- a decision not to mark or assess the work or record a mark/grade
- formally recorded fail / zero for the work concerned which remains on your academic record
- cancellation of credit already awarded if the academic misconduct is admitted/ established after assessments have been completed and recorded
- formal notice indicating 'Intentional Plagiarism' (or other misconduct) placed on academic record for a specified period of time
- formal written warning
- probation or suspension from the programme or other penalty.

# **Learner Behaviour Management**

If you are identified as a learner who displays unacceptable behaviour the department will monitor your progress, and provide support at the earliest stage. This may include referral to Student Support Services to ensure additional support is provided to you.

If you do not respond you may be placed on a behaviour improvement plan This will include identifying, documenting, implementing, and monitoring goals, expected behavioural progress, timelines, and support. If you do not meet the outcomes outlined in the behaviour management plan, you may be moved to probation.

#### **Probation**

If your behaviour, as a learner, is unacceptable and of concern to staff or other learners, you will be advised of this in writing by the Head of Department. This written warning is known as probation.

The written advice must briefly record the deficiencies or concerns, the progress or standards of behaviour which must be met, any assistance available, the time within which progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

The progress or change required should be reasonable and the criteria for assessing whether the progress or change has been achieved should be easily understood and capable of being clearly demonstrated.

The written advice must include the warning that failure to make progress or achieve change may lead to suspension and/or cancellation of current enrolment(s) and/or refusal of future enrolment(s).

These requirements are known as the "terms and conditions of probation". **For more information about probation, see** <u>Probation</u> - scroll down and find 3.4 Probation.

- The person has been guilty of misconduct or a breach of discipline.

- The person is enrolled for full-time instruction in another institution or in a school.
- The person has made insufficient progress in the person's study or training after a reasonable trial at the institution or at another institution.

The decision to cancel or refuse an enrolment may be made only by the Operations Lead or nominee.

Failure to meet the terms and conditions of Academic Contract and/or probation may lead to exclusion.

When a cancellation is being considered, the Head of Department must invite you to an interview.

#### **Refusal of Future Enrolment**

Any person may, for good reason and on good evidence, be refused enrolment at Ara generally or in a particular programme or course only by the Operations Lead or by his or her nominee under specific delegation.

Enrolment may be refused on any of the Education Act (1989) grounds.

Failure to meet the terms and conditions of probation may lead to exclusion.
